- voted as the Best Serviced Villa
in the Mediterranean Sea,
offers a combination of luxury
experiences and facilities.

Totally isolated-in order for the guests
to enjoy their privacy,
this amazing Villa offers
the ultimate infinite breathtaking View
of the Aegean
from each and every corner or suite.

The pool of 500 sq.m
- larger in the island of Mykonos
gives the idea of being isolated
on a private tropical island.

THE VILLA

THE VILLA

The Ultimate Lifestyle Villa

The wooden bridge that leads to the private club is surrounded by candles and special handmade items from around the world.

Flowing fabrics decorate the dinning caves and all the corners from where someone can enjoy the night lights of Chora and the yachts that come and go just in front of your eyes.

All furniture, sofas and bars are uniquely handcrafted by a famous fashion interior designer who has chosen this Villa to make a dream come true.

THE VILLA

The biggest pool in the island of Mykonos. Giving you the illusion of diving into the Aegean sea blue, this infinite pool of 500 sq.m has an island shape, giving the opportunity to the guests to swim or relax in totally different corners areas.

The natural sea water surrounds the gorgeous palm tree giving the impression of an exotic island.

The wooden bridge that leads the guests from the main entrance towards the club.

Inside the pool you can find luxury toys for boys and fabulous surprises for the girls, such as a huge bar inside the pool with a see through bottom, special made glass boats to enjoy a canoe ride from one side of the pool to the other and flowing toys !

From the front side of the pool you cannot get enough of the Aegean Sea view or you can relax by laying in the hammocks of the palm tree. From the west side you can enjoy the external relaxing areas the bars, or even take a nap at the white couches rights next to all corners of the pool.

THE MYTHICAL POOL

THE MYTHICAL POOL

Right at the front side of the pool a deck of 500sq.m with comfortable bamboo couches, umbrellas, sunbeds and huge beanbags allows the guests to enjoy a cocktail in front of the infinity Aegean Blue Sea.

Next to this deck, you can find a glass made balcony literally built at the highest point of the cliff, including a hand made table to be used as a private dining area for 8 persons.

After the cocktails, the guests enjoy their private moments in the sunset room, a private room by the sea facing the sunset and sunrise totally covered with glass and wooden made special fabrics.

An external wooden bar is located right next to the back side of the pool for the ones who want to stay independent or have a romantic glass of wine out of the wine collections that you can find inside.

During the night the pool has a special lighting effect that gives a romantic tone and of course the view of the downtown (Chora) offers a spectacular magical effect.

The pool areas are the meeting points of all the guests staying in the villa ready to offer unforgettable experiences to them during day and night.
